Mosquito Repellent Permission for use at School

Date: 21st October 2022

Dear Parent/carer,

Due to the recent rain and flooding events in our region, we are experiencing high numbers of mosquitoes at school. Bourke High School encourages students to have their own personal repellent, because of this, the school has purchased some Rid Mosquito Repellent 100ml Spray-on Bottles.

If you would like your child to receive a free bottle of Rid once they arrive, please fill out the attached permission slip and return it to the front office.

If you have any questions, please contact the school on (02) 6872 2560.

It is advised that anyone with known allergies to personal insect repellents should not use these products. Parents/carers should check the manufacturer's recommendations before use. If you have concerns regarding your child's use of insect repellents, you should consider seeking medical advice prior to giving consent.

Robert Bourke
 Relieving Principal

Please complete and return to the office.

Student name:

Tick the box.

<input type="checkbox"/>	YES, I give permission for my child to apply their own personal insect repellent.
