

Education

We, at Bourke High, believe that all students can succeed. Bourke High School is a caring school and we acknowledge that effective learning takes place when students and teachers feel secure and safe, where morale is high, where people are happy and where a high value is placed on working together.

School Holidays

9 to 20 July 2018

This week Bourke is playing host to the Connected Communities Healing & Wellbeing Forum over two days at Diggers Club. The two day workshop includes sessions run by a number of experts in the field including Michelle Montgomery, Trauma Informed Specialist, KidsXpress. We have committed to sending a number of our staff to this vital Professional Learning in order to expose them to a range of professional opinions and realistic strategies aimed at better meeting the complex needs of some of our students.

Last week Dane Parnaby took a group of our Clontarf boys to Broken Hill for an AFL camp. From all reports the boys had a great time and held themselves well over their time. Also on Clontarf there is a small group of boys headed to Dubbo for an employment visit this week which continues the valuable work done by Clontarf in our school.

This week we are sending three teams to a Rugby League 7's and Girl's League Tag competition in Lightning Ridge and we wish all of our students the best of luck.

Next week is our NAIDOC celebration with our big lunch on Wednesday. This day always proves to be one of our more enjoyable days on the calendar. This year's theme of 'Because of her we can' is definitely one I think most people can relate to and enjoy. I look forward to seeing as many family and community members in the school as possible. For more details please see the NAIDOC page of this newsletter.

Our final Term 2 presentation assembly will be held on Thursday 5th June from 10:30am in the MPC. Parents who attend this assembly will be able to pick up their child's half-yearly report card (7-10) with the remainder of reports being delivered home in the following days.

I would also like to add that with the cooler temperatures we are experiencing it is important that our children are rugged up throughout the day. We have a range of warm jumpers available for purchase at the front office for our students. If you require any assistance with these purchases please contact the school.

Andrew Ryder

Wellbeing Community Breakfast

Bourke High School's Wellbeing for Excellence team are promoting the significance and importance of family connection with all students at Bourke High School. As a culmination of this work, we would like to invite all families to share a breakfast with the staff and students, where we will be displaying family trees and talking about the importance of spending quality time with family.

Beanies for Brain Cancer

Bourke High School are holding a Beanies for Brain Cancer fundraiser. All staff, students and visitors are encouraged to wear a beanie on the 29th June 2018 and contribute a gold coin donation to the cause. All money will be donated to the Mark Hughes Foundation.

This has been and IS happening. It's fantastic!

Photos to come... currently planning projects!

Who

Interested female students from
Bourke High School

What

A group for "makers" to make

When

Monday afternoons 3:15-5pm

Where

BHS Visual Arts room

Why

To make Mondays something to look
forward to, to make! and to practice
mindfulness with other like minded people

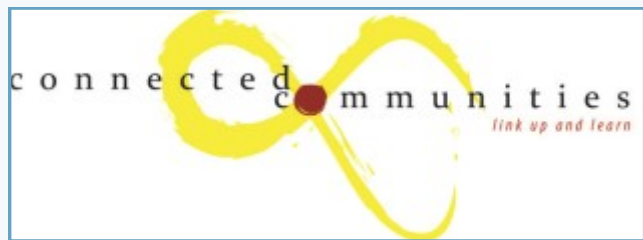

How much

A gold coin donation

Well...

Are you interested? Then come along!
Talk to Miss Smith or Mrs McCorkle for
